

I choose the Foster Hub Clinic because I wanted to learn about how the foster system/policies work and what kind of assistance and resources are being shared with the foster youth community. I researched the Los Angeles County Department of Children and Family Services and the Los Angeles County Youth Commission websites and learned that they are not easily accessible, not in plain language, and lack of resources for foster youth with disabilities. I also learned about the importance of mandating reporting and mandated supporting. I shared my lived experience... being adopted from Costa Rica. I have learned so much and will continue to learn
